Pastor's Corner

by Pastor Curtis L. Jackson Sr.
& First Lady Mary Jackson

To the Saints of God,

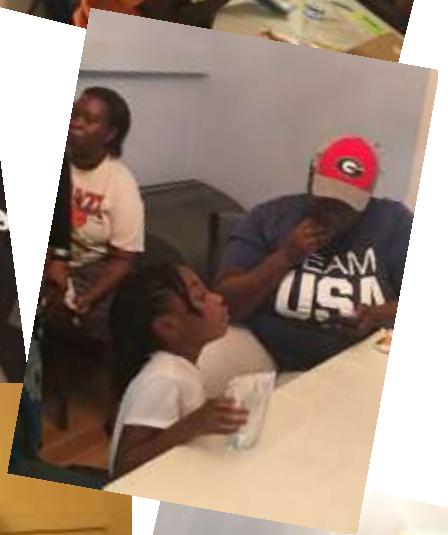

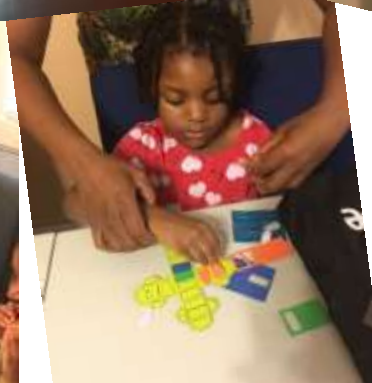

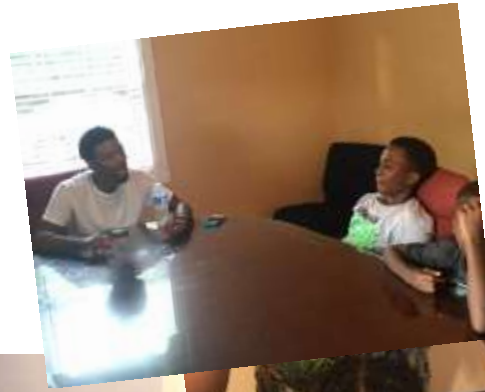

We give God praise, glory, and the honor for all he has done in 2016 thus far. Better is here and better is coming!

We have accomplished so much this year and we thank God for you, our faithful and dedicated members, who continue to support this

ministry with your tithes and offerings. We thank you for your prayers and the love and unity that you show. Continue to love one another and stay unified so that the vision will continue to unfold here in Thomaston. Let us all stay focused on the vision so that we can continue to see people be productive in every aspect of their lives. The theme this year for APOR is "Walking in Divine Wisdom". Our prayer for you is that each of you will walk in divine wisdom and that God will bless each of you in good measure, pressed down, shaken together and running over. May the peace of God be with you.
